What are the missing numbers?   **Student A**

	G	H	I	J	K	L
1		64		0	395	
2	37		107			7,656
3		841		25		935
4		15	53			1,012

The students take turns to ask and answer, e.g., **student A asks: What's the number in square I1? Student B answers: It's the…**
When the students have written all the missing dates, they compare their squares.

What are the missing numbers?   **Student B**

	G	H	I	J	K	L
1	12		858			10,059
2		515		923	431	
3	3,333		692		22	
4	176			164	379	

The students take turns to ask and answer, e.g., **student B asks: What's the number in square H1? Student A answers: It's the…**
When the students have written all the missing dates, they compare their squares.
